

2687 TERAMO 3 DOOR WARDROBE

This Teramo triple wardrobe exudes elegance with the distinctive tapered turned shapes in the legs and curved profiles on the top panel of the wardrobe. The wardrobe hosts a wealth of convenient storage space. It provides two large compartments each containing an adjustable storage shelf and sturdy wooden rail for hanging clothes. Between the large compartments sits a smaller one, with an additional wooden rail for hanging clothes. Two generously sized drawers offer added storage. This bedroom furniture is finished in matt lacquer which protects the timber and shows off the beauty of the oak. This is a large product and in order to fit it into your home, it comes packed flat and requires self assembly. Like all tall furniture, this wardrobe should be fixed to the wall to ensure stability.
