## Fittings and parts checklist

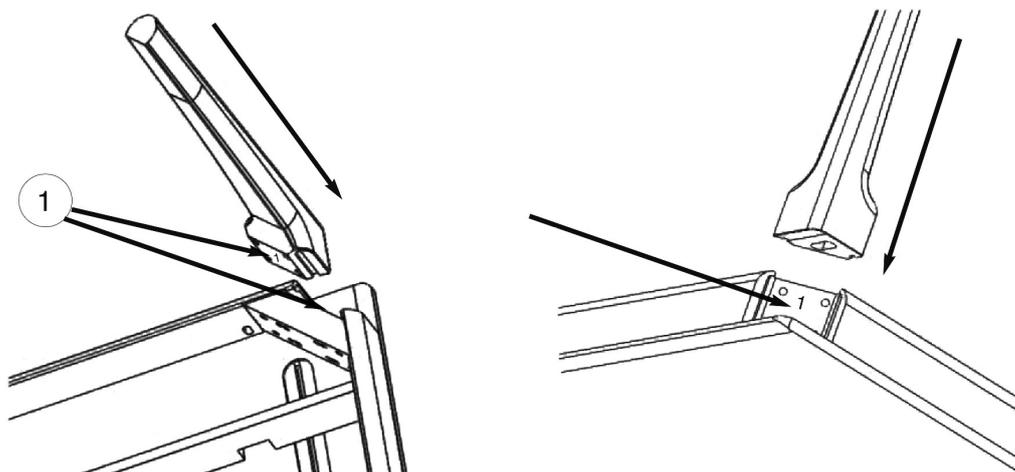

A	Washers x 16	
B	Bolts x 12	
C	Allen key x 1	

## Step by step assembly instructions

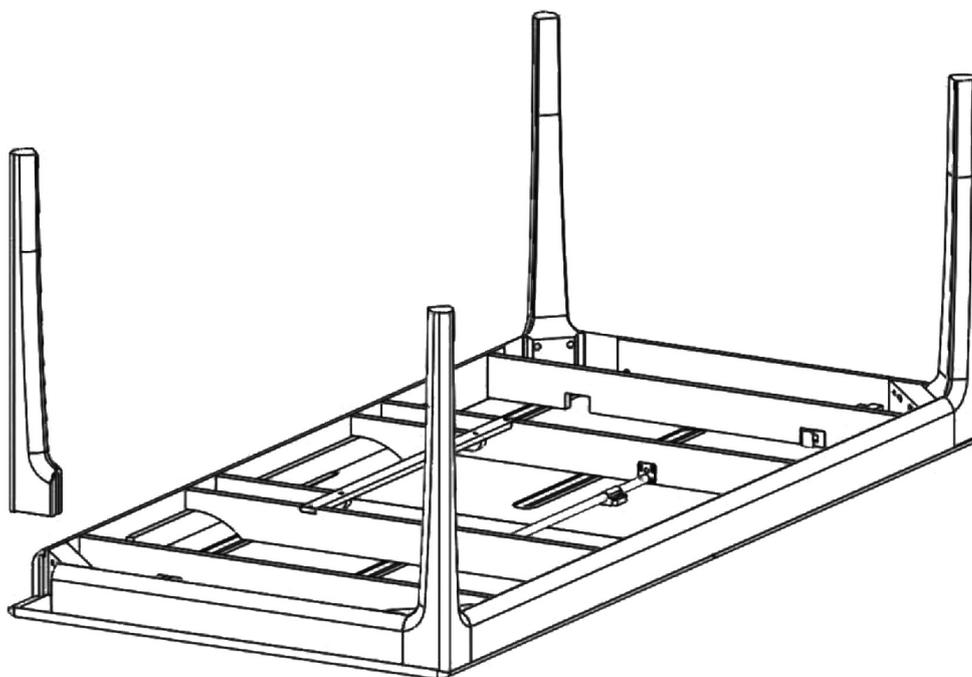

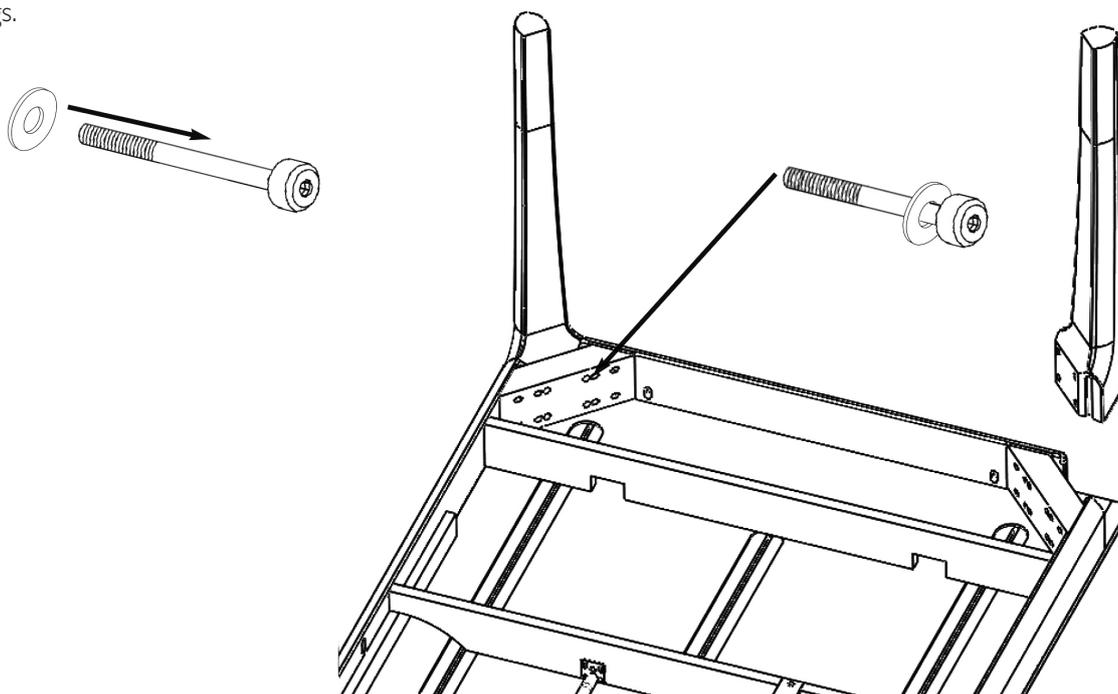

1. With the help of another person, Lay the table top face down on to a soft surface such as carpet or a blanket which is free from sharp objects.

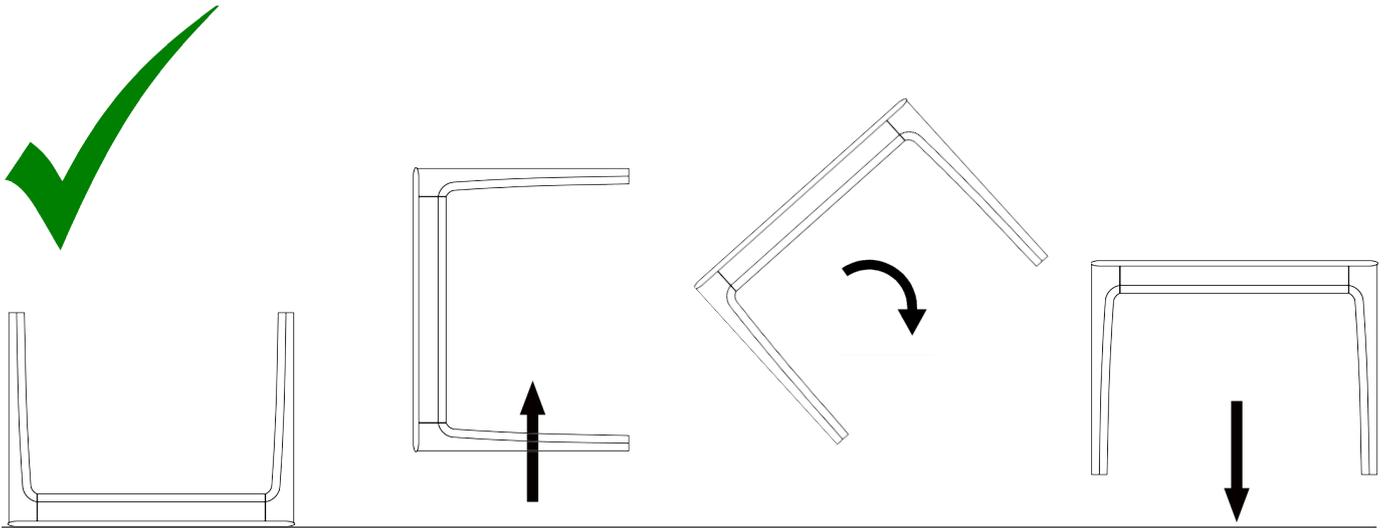

2. Each leg and corner bracket is numbered 1 to 4, slot each of the four legs into their matching corners as shown below.

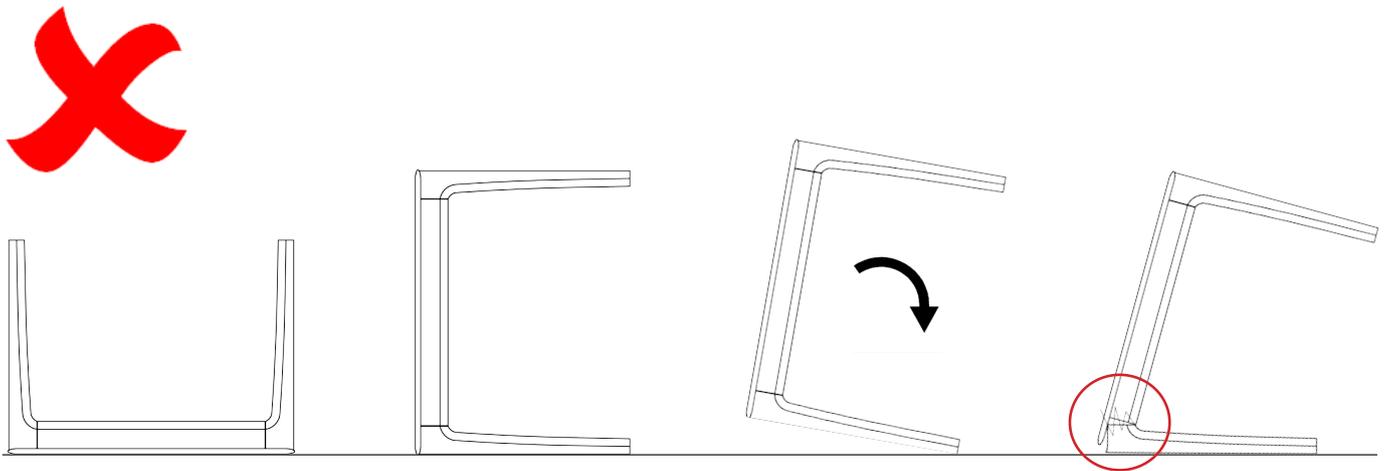

3. Put a washer onto each of four bolts and using the Allen key provided screw them into the pre bored holes as shown below. Repeat with the other three legs.

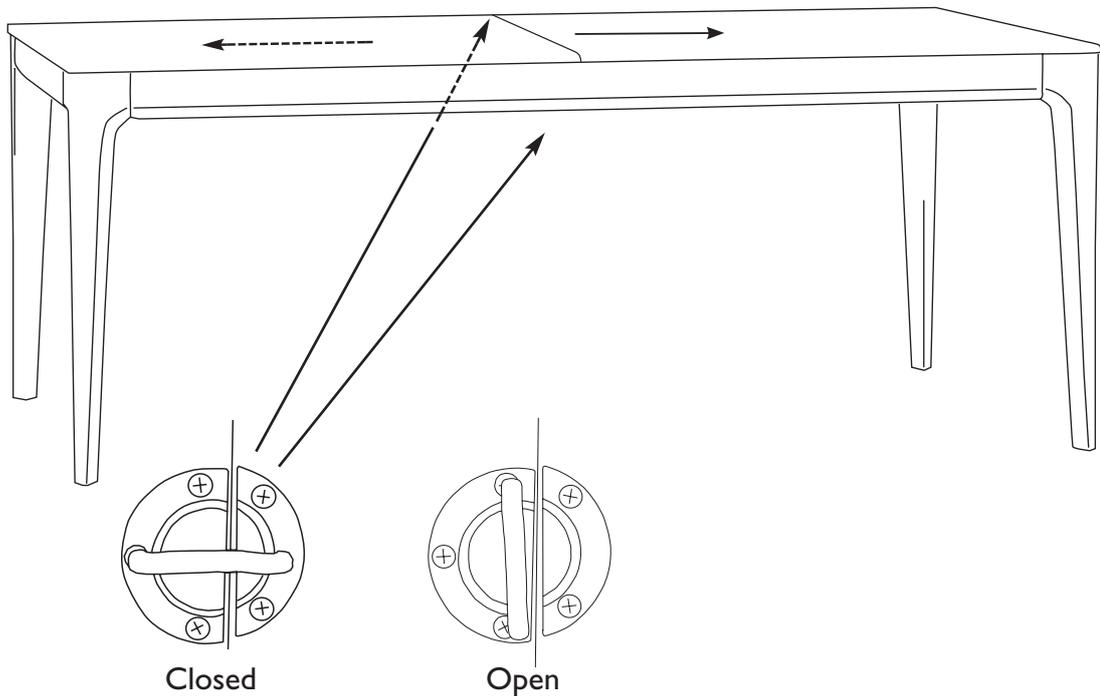

Please lift the table off the ground to turn over.

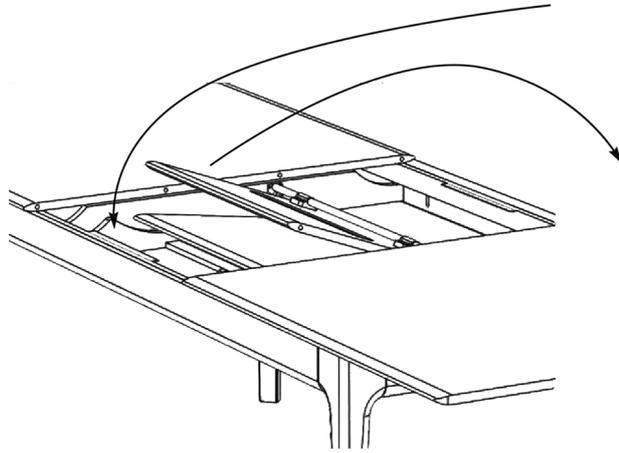

**DO NOT** pivot on the legs to turn the table over.

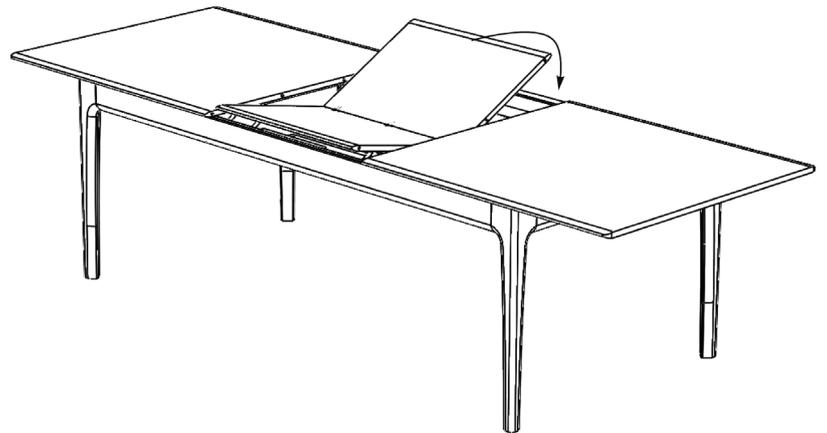

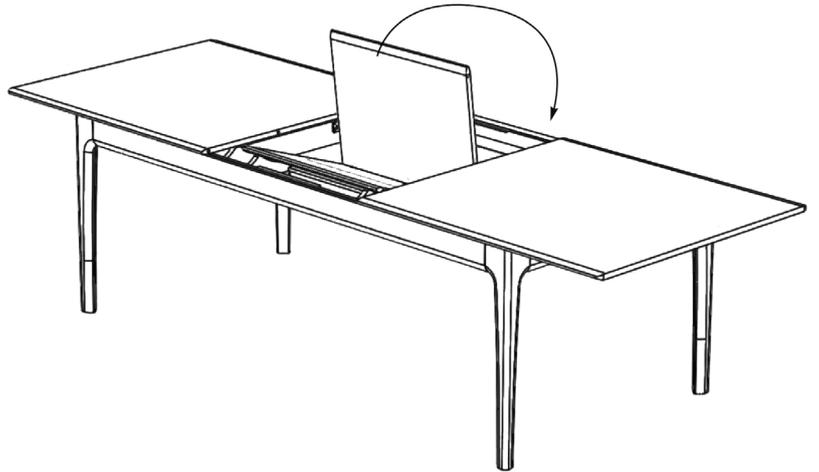

4. With the help of another person, carefully lift the table up and place on it's legs, taking care not to pivot the table on two legs as you do this.

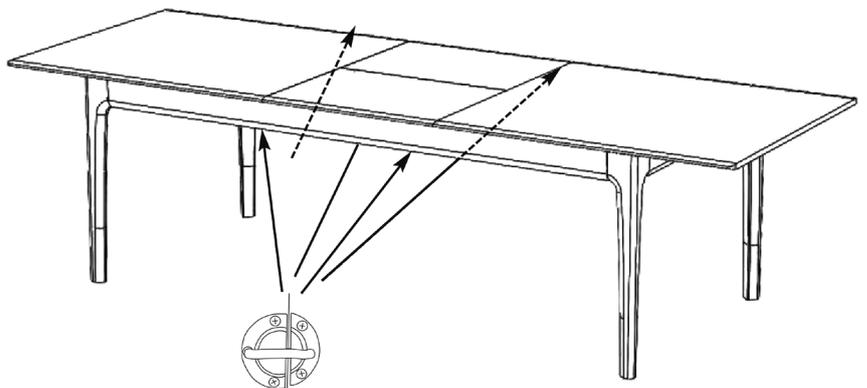

5. The two leaves are held closed by two keepers (above), one on either side of the underside of the table where the join is. Turn the bar on them to release the leaves then, as they are reciprocal, gently pull open one leaf, as far as it will go and the other will automatically open with it.

6. Lift the top flap of the butterfly extension leaves and pull it up and back over the table top as shown in the following 3 stages. As you open it the lower leaf will glide over the ramp and up into place.

7. Close all four keepers to secure the leaves.
